

September 1, 2010

Dear Member:

UCA proudly announces the 5th annual Safety Awards competition! To compete with other UCA members, please complete the attached application, including all pertinent information, and submit it no later than September 30, 2010 to:

**Dave Soderman
Safety Alliance, Ltd.
500 Park Blvd.
Suite 154 C
Itasca, IL 60143**

This year's awards will include five categories based on total hours worked. The awards will include, in each category, a winner, along with an award for "most improved". The awards will be based on total lost workday cases, and safety training performed. If companies have any willful citations or fatalities (during 2009) they will not be qualified for an award.

The awards will be presented at a special Safety Awards luncheon in (date to be announced). It is important for the winners to be present at the luncheon to accept the awards!! Winners that are not present at the luncheon will not be announced.

If you have any questions please contact Dave Soderman.
