

Underground Contractors Association

Annual Scholarship Program

Do you have a passion for the Underground Industry?

Visit www.uca.org to apply for UCA's 2011 scholarships.

UCA strongly encourages students that are working diligently towards their goals in the underground industry to apply.

UCA's vision is to be the foundation of a stronger Illinois construction industry where the seeds of innovation begin underground.

The Underground Contractors Association (UCA) is offering three scholarships of up to \$2,000 each for the 2011 - 2012 academic year for college and trade school bound students.

Requirements:

- Be a U.S. Citizen
- Provisionally accepted or participating in an accredited trade school, college, or university.
- Be in pursuit of higher education and training related to the underground construction industry.
- Fill out the application and provide the required documents by the deadline of February 11, 2011.

To obtain a UCA Scholarship Application, contact your UCA employer, log on to www.uca.org, or call the UCA office at (630) 467-1919.
