

Sewer Rehab Seminar & Live Demo

Presented at

Chicagoland Laborers Training & Apprenticeship Fund

Thursday, February 24, 2011

Join UCA and the American Public Works Association (APWA) on February 24th for a seminar on various sewer rehab techniques for public sewer systems and private sewer laterals. The seminar will include a presentation by the MWRD on sewer rehab regulations. This is a seminar and demonstration on eliminating infiltration and inflow.

Each participant will receive 6.0 Professional Development Hours (PDH) at the end of the seminar. This will benefit PE's who are required to earn 30 hours of continuing education over the next two years.

Space is limited to 75 attendees. Please RSVP by Friday, February 11th.
