

UCA SPIDER GROUP

SAVE THE DATE - TUESDAY, JANUARY 11, 2011 AT 8:00 A.M.

Join these featured UCA members for an informal morning of networking!

Featured Companies:

INTREN, Inc. provides trenching, directional boring, street lighting, duct and manhole installation, high and low voltage cable installations among many other services.

JULIE, Inc. provides excavators with a toll-free number (simply call 811) to call for the free locating and marking of underground facilities.

To participate in this Spider Group or to find out more information, please contact UCA staff at (630) 467-1919 or awicks@uca.org.

Since their first revitalization meeting in July 2010, the Associates' Committee, chaired by Ginger Imes of DS&P Insurance Services, Inc., is off to a fresh start developing innovative ways for members to build stronger relationships through communication and networking.

This is a summary of the Associates' Committee **Spider Group** meeting held on November 18, 2010. The definition of a spider group is simple: a meeting designed to get to know other members, find out what their UCA objectives are, and network accordingly.

SPIDER GROUP NOVEMBER 18TH SUMMARY

Under Easy Vacuum Excavating, Inc. (Mike & Sue Vanderwalker) provides soft excavating and potholing services through the use of an air vacuum. Mike and Sue take pride in the safety and efficiency of their equipment. Mike's credentials include a B.A. in Geography, OSHA 10 hour certification, and Staking U's Electro Magnetic Locator Certification.

RiskInform (Eivind Oland) helps clients identify and manage business risks and costs based on financing the cost of workplace injuries, proactively preventing workplace injuries, aggressively managing workplace claims, and utilizing all available premium discount programs. Eivind has more than 30 years of commercial property and casualty risk management experience.

All Spider Group summaries are submitted by UCA members. In no way does UCA support or promote one member's product and/or service over another. All members are encouraged to participate in Spider Groups. This summary is not a comparison of other companies but rather an introduction of group participants.
